PAINTINGS.

VIR iedereen, wat die naam kunstenaar  
verdien, is alles in die natuur mooi,  
omdat sij oog onverskrokke die hele uiter-  
like waarheid waarneem, en daarin soos in  
'n ope boek al die innerlike waarheid lees.

---

FOR every artist, worthy of the name,  
everything in nature is beautiful, be-  
cause his eyes fearlessly accept the whole  
outward truth and in it, as in an open book,  
read all the inner truth. — *Auguste Rodin.*
